All about Leonardo:

Leonardo lives with his mother and two older brothers, but they have many extended family members that they unite with every year and celebrate birthdays. He is well liked in his small group of friends for being a kind and honest person. When he is with friends he enjoys watching or playing soccer and sometimes going to festivals. He prefers to listen to music at home in his bedroom versus going out to the disco. He is looking forward to his year in the U.S. and to meet new people.
