All about Chiara:

Chiara loves to cook pizza, pasta and other Italian foods. She looks forwards to sharing her cooking skills and making some Italian dishes for her host family. At home with her parents and older siblings she loves to watch TV series and movies. She enjoys watching "Friends" as it is funny, and she loves to better her English from watching the series. With her Girl Scout organization she has taken some trips and camped with other scouts. In the past she has done gymnastics, swimming and volleyball, but now is busy with her school studies. She is taking a theater class at school to be more open in front of an audience. She looks forward to her exchange experience and hopes it will help her grow.
