All about Jordi:

Jordi is excited to learn about the American culture from the inside! He is outgoing, has an open mind, and usually makes friends easily. He is the captain of his soccer team and has played the positions of goalkeeper and central defender. He enjoys water polo, paddle boarding and surfing in warm weather, as well as snowboarding in cold weather. He is a fan of car racing such as Formula 1, supercars, drifting or rallies. In the future he hopes to go to the university to study engineering or something related to cars. He watches movies or plays video games to disconnect and relax. Build a better tomorrow and invite Jordi to your community this fall!
