Creative would be the best word to describe Arpine. She loves both traditional and digital art. She can create stickers and other designs with her digital art. She is also passionate about watching films and animations. She enjoys reading both books and comics. She hopes to become an author and then create animation based on her story. She believes if you explore the world through reading and communicating with others of different cultures and beliefs will make her more tolerant. She is the youngest in her family including her sister and parents. They love to plan parties with friends and relatives. Going to the US is the opportunity that she feels will help her accomplish her goals. Are you ready to begin your next adventure in hosting Arpine?
