All about Matilde:

Matilde is family oriented. She enjoys spending time watching movies together or supporting her brother at a football game. She hopes to have a host sibling on program. When out with friends she likes to go shopping, out to a restaurant, or to the cinema. In the past she had lessons in ballet, but now is focused on artistic gymnastics. In her free time she likes to bake cookies or cakes with her mom or light a scented candle and draw or paint. Her favorite subject is math and she attends a scientific high school. In school she likes to be precise, punctual, and study a lot. She can be a bit shy, but hopes to become more extroverted and defeat this part of her character. Share your heart and home with Matilde and apply to host today!
