All about Beatriz:

Beatriz is a kind and cheerful person that is always smiling and laughing with friends. She enjoys meeting with them on weekends. She has participated in many sports such as gymnastics, but currently does basketball. She practices during the week and has matches on the weekends. She also loves to ski as her family goes to the slopes every year. She is happy when she travels and has been to 12 countries. She loves to listen to music with Taylor Swift being her favorite artist. She has a hamster, but would be happy with her host family having a dog or cat. She loves to watch movies, especially horror movies. Welcome Beatriz to your heart and home this August!
