All about Nahia:

Nahia dreams of traveling around the world. First through Europe, then America. So far she has traveled to London, Paris, and Portugal, but soon she plans to add the United States. She loves sports like basketball, volleyball, ice skating, but her favorite is swimming. She also enjoys reading and hanging with her friends. She changed schools when she started high school, and she thought the process was great, starting from scratch and choosing new friends. She will have that challenge again with new teachers, new school, and new friends in America. She has watched the stories of other people who have gone on exchange to the United States and had a great experience, so she hopes to do the same. Could you help Nahia discover her “American Adventure”?
