All about Itzel:

Itzel loves to be always doing something. One of her personal favorites is cooking. She prepares food whenever she can. She has been horseback riding since age 7, but due to an injury she currently does not participate in this activity. She enjoys skiing and has the opportunity about once per year. Traveling is something she enjoys doing with her family. In her free time, she enjoys going out with her friends. She has wanted to come to the U. S. for a long time and thinks it will help her mature and learn many new things. Apply to host Itzel and share your heart and home!
