All about Letizia:

Letizia attends a human sciences school, but it also has additional workshops related to theatre, photography, and set design. Her main interests are acting and psychology, thus her desire to become a psychologist. She is open minded and always good for new experiences. She likes to be fit and enjoys cooking for the household. Letizia practices acrobatic aerial dance with the rings and silks one day per week. She participates in the scouting program. Her family has hosted many Au Pair girls, and it has had a positive affect on their family. Her family consists of her parents, older sisters, and a dog. At home during the evening, they share how they spent their day and help each other with the chores. She has a Share your heart and home with Letizia and apply to host today!
