Leo holds dual citizenship of France and Sweden, since his father is Swedish. He likes to cook some Swedish specialties as well as the French dishes of crepes, baguettes and meringues. He has been doing intensive freestyle scooter riding for about four years. He even attended a camp in Pennsylvania. Together with his family he plays board games and watches movies. In his free time he plays sports, goes fishing, or spends time with his friends. He has a golden retriever who he enjoys teaching new tricks. He finds it rewarding and fun to bond with his dog. He has two businesses from which he is learning about marketing, finances, and entrepreneurship. First, he buys sneakers and then resells them for a profit and second, he has a car detailing service.
