All about Filippa:

Family is important to Filippa. Her family consists of her mom, stepfather, and sister. She has one more older sister that lives with her boyfriend not far from their home. She also visits her own father frequently. Her favorite thing to do with her sisters is shopping or just enjoy each other's company. She prepares pancakes with her stepfather and has an amazing relationship with her mother, who supports her exchange program. She considers herself to be very open and extroverted. She loves meeting new people and taking in new experiences. Her favorite time of the year is summer as she can go to the beach for swimming, tanning, and playing soccer when the weather is nice. Ready to add another branch to your family tree by hosting Filippa this fall?
