All about Tobias:

Tobias attends a school for civil engineering and may join his father's business in his future career. His family is comprised of his older brother, father, father's girlfriend, grandparents, two cats and a dog. Tobias shared that he has a boyfriend and wants to make sure the host family is open as they accept his placement. He describes himself as kind, patient, responsible, tolerant and hopes to work on his laziness. He is more of an introvert so initiating conversation can sometimes be difficult for him. He enjoys cycling, jogging, and bike riding in his free time. He knows his future host family will enjoy hosting him because they will have a chance to get to know a teenage boy from another country and learn about the Czech culture, habits, and traditions.
