All about Maja:

Maja is responsible and always eager to try new experiences. She loves meeting new people, but also values personal time to recharge. Maja has a close knit family of her parents and older brother. Over the years she has enjoyed playing the piano and soccer, but more recently she has become active in her school's theatre group and enjoys acting. She loves to take on different roles and dress up. This allows her to explore different aspects of herself. She is creative and enjoys taking photos of nature and herself. She has been inspired by her mother in art. English has always been one of her favorite subjects. She has worked hard to improve her language skills by listening to music and movies in English and chatting with friends in English also. She is good with children and helps at school with looking after them. Become the bridge between cultures and apply to host Maja!
