**Viktor started playing the sport of hockey at age 4, but his team broke up due to Covid. He still plays 2 days a week for fun. During quarantine he started working out and now goes to the gym multiple times a week. He also works there as a receptionist. Other sports he enjoys are tennis, basketball, swimming, and skiing. When he is bored, he likes to find songs to play on the piano. His favorite school subjects are Math, English, History and Biology. He began learning English when he was 7 years old. At age 10 he went to Malta with his family and attended an English school for a week. Viktor sees the benefits of his semester abroad and wants to explore the American culture and improve his English. He is also happy to join extracurricular activities and learn a new sport.
