All about Sara:

Sara is passionate about volleyball and practices three times per week. She is hopeful to participate in the sport on program. She also enjoys cooking. She tries new recipes that she sees on TV. She is excited to prepare meals with her host family. As a family with her parents and older brother they like to go on vacation in the summer or skiing in the winter. She learned to ski at age 7, but feels she is still improving. Sara knows this exchange experience will help her grow from a personal standpoint as well as with her relationships with others.
