All about Judith:

Judith was chosen by her school to participate in an Erasmus project and has won many academic titles. She speaks the four languages of Spanish, Catalan, English, and French. As an only child she resides primarily with her mom. She has a cat and a dog. Sports are important to her. Currently she competes on a regional and national inline roller hockey league. She has participated in gymnastics and pole dance previously. In her free time, she goes out with friends, spends time with family, listens to music (pop and reggae) or watches TV series (Stranger Things or The Crown). In the future she hopes to become a pediatric surgeon. Start the application process today to share the “American Experience” with Judith!
