## All about Valeria:

Valeria is excited about the exchange experience as she wants to learn new cultures and what life is like in an American family. She believes the experience can help her with her university studies. She thinks languages are very important to find a good job. Her passion is painting and everything related to art. She hopes to become a graphic designer in her future career path. She plays on a city basketball team and would love to join a team in her U.S. high school. She enjoys music and Olivia Rodrigo, Taylor Smith, Harry Styles, Queen and Billie Elish are some of her favorite singers. She has a dog, cat and rat at home and loves animals. Her two older sisters live outside the home in Ireland and the U.S. She enjoys traveling with her parents. She has visited other parts of Spain in addition to London and Washington, DC as a family.
