All about Anna:

Anna stays active by going jogging or boxing, not competitively. Everyday she also likes to have time for herself and relax by reading or watching movies. She enjoys traveling on holidays with her family and exploring new countries and cultures. She has a family of four, including her parents and younger sister. She is also close to her grandpa, who lives near. As a family they also love to hike, watch movies, and share their daily life. She has a close group of friends that she enjoys shopping with, going to movies, cooking, and attending events together. She chose the U.S. as her exchange destination because she wants to better her English and become more independent. Learn more about hosting Anna today!
