Mireia is an outgoing girl that loves to interact with different people. She has been dreaming of going on exchange since 11 years old. Her hobbies include volleyball and cooking. She loves to make plans with friends to go shopping, watching movies or listen to music. She grew up with cats and dogs and is very fond of them. She is interested in a career in interior design because she likes decorating, designing or organizing a room to make them look beautiful. Welcome Mireia to your heart and home this August!
