All about Marco:

Marco played the sport of soccer for 8 years, but now is focused on boxing. He has practiced it for 1.5 years now. He also has a passion for motorcycles. He has been fascinated with them since a young age. He likes racing and has a moped that he loves to drive. His favorite subjects are math, history, and English. He feels he is talented in English but has a lot to learn yet. He lives with his parents and older sister. Open your heart and home and apply to host Marco today!
