All about Andrea:

Andrea has always been very active, dancing in the forms of Spanish dance, modern, and ballet. She also participated in a theatre group from ages 3-12 in which they performed several works a year such as musicals, shorts and theatre plays. She currently is involved in volleyball. She loves animals and the family has 2 cats at home. Andrea loves younger children. With her family they belong to an association in which they assist others with disabilities carry out leisure activities. Andrea wants to know more about the American culture and is open to any region in the U.S. Is your family willing to open your heart and home to Andrea and help her explore our American customs and traditions?
