All about Joane:

Joane has listened to music in English and watched the typical movies of High School Musical and Descendants, but never thought her dream would come true. She is sure this will be a special experience in her life, and it will open many doors for her future career. She hopes to learn about the American school system and enjoy its benefits. She enjoys going on vacation with her family which consists of her parents and older brother. They have a family dog. She loves to play the piano and sing. She joined the choir and takes individual voice classes. She has learned the cultural dance of her region, called Basque, and joined a group with her friends. If her host school has a musical, she hopes to join so she can sing and dance. In her free time, she may visit the beach and walk in the sand and waves or go to the city for shopping or the cinema with her friends.
