All about Lea:

Dear future host family,

My name is Lea I'm from Austria, currently 14 years old but I'm turning 15 in February. Firstly I want to thank you for giving me the opportunity to live with you for almost a whole year! I can't wait to get to know you and be part of your family, I'm really grateful!

I live in a small village in Austria. There's not much to do where I live, but you can go on the best walks! We have a lot of beautiful sunsets and you can just enjoy nature here. This is indeed one of my favorite things to do. (I'm also sure I will find some time to bake something for you!). I'm always open to try new stuff including new food, sports or activities. I'm also a fan of watching series or movies.

I can be really energetic and loud but in a funny way, but I can also be quiet and introverted. I have a lot of mood swings but I try to make the best out of it. I'm really excited and happy about small gestures, things and gifts and also get emotional quite a lot. I just love when people remember small things.

I am generally really interested in other cultures and new things. I want to go to America because I want to improve my English, because I want to meet new people and because I love to travel!

I hope I could give you a little insight into my life and personality and I'm already so excited to get to know you! Thank you again!

Yours sincerely,
Lea
