## All about Alba:

Hi, I'm Alba, I am 16 years old, I'm always smiling, and making jokes. I like to speak, I'm a talkative person, I'm brave, educated, interesting love being with children and being independent. I like to be with my family and friends, I like playing with my small cousins and taking care of them.

I can speak of anything; I like to watch sports like soccer or American football. I love to listen to music, in fact the music sometimes changes my mood, my favourite Spanish singer is "Pole" and my favorite singer that sing in English is "Niall Horan" and I like One Direction too.

I can say that soccer it's my life, it's my method of disconnect of everything, and have a good time but also improving my way of playing. I like cooking, like cakes or some meals. I like go shopping, watch the sunrise and the sunset while I listen to music, watch the stars and think, and if I am with friends talk.

I like playing card games with friends, watching series or movies, going to the beach, ride the bike and I love eating. I would like to surf, ski and skate. I hope you liked what you read and were interested
