## All about Caterina:

Dear host family,

My name is Caterina, to tell the truth I don't like my name very much because it reminds me of something old and that's why I prefer to be called by the nickname of Cate or Kate, but I really like its meaning "pure and sincere". It has never happened to me that a foreigner has called me by name, so I don't know if it might be difficult to pronounce, but it doesn't matter.

I live with my mom and 2 older brothers. My mom is my best friend. We talk about everything. I also have a cat named leo and he is really very spiteful.

In the past I did ballet and modern dance, swimming, now I'm doing tennis and I'm really good at it because I'm passionate about it. I would like to try cheerleading because we don't have it in Italy and it is a really fascinating and beautiful sport. I also want to try theater (even if it is not a sport) even if I don't really know why, maybe because I like acting and one of my many dreams was to become an actress.

I really have many dreams in the drawer, but the most important one is to spend the year abroad, because I would like to know foreign culture and become an American girl, I would like to celebrate Christmas there as in the movie "The Grinch", I would like to cheer the team my main goal is to learn English because it is a language that fascinates me a lot and I know that I will always need it in the future, for example when I am older I will go to live abroad. When I'm there I'd like to try a lot of new things different from those we have in Italy.
