All about Nora:

My name is Nora, and my two passions are dancing and acting. My dream is to be an actress and dancer. My favorite is hip-hop dancing. I love music and my favorite singer is Taylor Swift.

I am always energetic and super cheerful. I think I'm a hard worker.

I also love Christmas because it seems like everything is magical and the atmosphere is perfect without adding that I love the snow.

I love to travel and dream to go to college in the United States and study acting, dancing or medicine.

I think I am a very creative person with whom you will always have a good time. I look forward to being a member of your family!
