All about Estrella:

Hi, I'm Estrella and I'm fifteen. I live with my siblings, Ismael (13 years old) and Alba (11 years old), and my parents Esther and Juan Manuel.

I love to travel. My family and I have a caravan and we go sometimes to different places to spend weekends or holidays. To the last place we went was Asturias, Spain. If I could, I'd like to go to different states in the USA, but the states I want to visit the most are Vermont and NY.

The thing I'm most excited about is being a cheerleader. I think I'd be good at it since I do a lot of sports that are more or less similar. The sports I do are artistic gymnastics, rhythmic gymnastics, aerobic gymnastics and skating.

I'm so excited to spend Christmas, new year, thanksgiving... there too and about going to homecoming and prom, because we don't do these things here in Spain or we celebrate it different and I wanna do things that I usually don't.

About music, series and movies, I like all types I think. My favourite singer is Shawn Mendes. I love scary movies and political series, my favourites are don't breathe 2 and criminal minds. I like a lot go to the movies and to concerts.

I really wanna go to the USA, it has been my dream all my life, I've always liked to learn english.

Thanks for letting me stay at your home:)
