All about Dimitri:

Hello my future American family.

I have a sister who has 19. She lives two hours from my home and she studies to become an engineer. I have another sister who is 12 years old. She lives with my parents together with me and we go to the same school. My school is 10 minutes walk from my house.

We don't have any pets but it's not a problem for me to live with animals. We live in a medium city. I live in a house with a garden and I like this house especially my room. I don't share my bedroom with any of my sisters. I remember when I spent hours in my bedroom reading some books like Harry Potter. I continue to read but I spend some times in Wikipedia and Youtube to watch some funny videos or videos about the culture of a country. I like to learn.

I have been practicing the trombone since my 7 years old, I like that because it gives me much fun. I'm in an orchestra. I also do theater (comedy club) which allow me to have fun on scene.

I love american culture especially sports like basket ball and football . I practiced american football during 2 years but because of an injury in my elbow, I didn't have choice except taking a break of one year. My favourite movies are Die Hard, the curious case of Benjamin Button and Forrest Gump.
