Hi, my name is Lucía I'm 14 years old and I live in Spain with my Mother. I have one brother he's name is Alonso he's older than me.

I really like to make new friends. I'm very shy at first, but then I take confidence with the people and I won't stop talking!

I really like reading , dancing and playing the guitar but my favorite is dancing! if you put me some music, will start dancing.

I think I'm a funny person I really like to make my friends laugh and if they have a problem. They can always talk to me about everything. friends. I'm a very organized person. I really like to help other people if they have a problem.

I would like to go to college and study medicine and work with children.

I look forward to meet you and be a member of your family.
