All about Emilia:

Dear (future) host family!

My name is Emilia and I'm 16 years old. that village in Germany. I don't have any siblings, sometimes I wish I did. I like it when the whole family is together and eats together. We live on a small little street with beautiful neighbors from many different countries and I have a lot of friends here. I like cats and dogs.

My favorite subjects in school are German, English, physical education and geography. In my free time I like to meet friends, go to the gym and occasionally I like to cook. At school, I am a grade level representative and participate in an environmental conservation program. When my time permits, I sometimes work part-time as a babysitter.

I have been lucky enough to travel to the USA and love it. I've been going to the soccer stadium since I was a little girl because my father is also professionally involved in soccer. I always wanted to be a cheer leader, but in Germany that's only allowed from age 16. I love ballet and have taken paramedic courses.

I am excited about my stay in the USA with your family and look forward to meeting you.
