All about Silja:

Dear future host family,

I want to say thank you that you think about choosing me as your future exchange student and want me to be a part of your family for about 10 months. I don't know anything about you yet but I'm already very excited to meet you soon. My name is Silja, I'm 15 years old/ I'm living together with my mother and my two guinea pigs Benni (two years old) and Theo (one year old), In Germany. I'm in the moment in the 10th grade. I'm very excited how school is in the USA, and which subjects I'm going to be able to choose.

I'm in a school orchestra called Big Band and I play clarinet since 5th grade. I'm also doing cheerleading since the end of my summer holidays. I like to do something with my mother, friends and grandparents, I often help my grandparents with cut the hedge or in the garden for example plant something or reap something or cut the lawn. My grandma teaches me sometimes how to knit, I made my own scarf with her together and sometimes I build something with my grandpa.

I like being with my mom and play a game or bake together or something like this. I am excited to be a part of your family and to experience some typical traditions like Thanksgiving and Halloween.

With this huge opportunity I get the chance to make my dream come true, learn something about your culture, English and more things. I'm looking forward to meet you, Love Silja.
