All about Salome:

Hello, I'm Salome and maybe your future exchange student. I am 17 and I am ready to leave France to live a new experience.

My family is very athletic. We love doing sports like hiking, biking, skiing... I have a great relationship with my parents. My parents trust me a lot and leave me a great freedom. I also get along very well with my brother. We spend a lot of time together especially during the holidays. I like to play cards, go to the pool or watch movies with him. I don't have any pets, but I've always dreamed of having one. I especially like dogs. My grandmother is also a very important person to me. She is the person I see the most. We often go to the museum and the theatre together.

Sports are also a big part of my life. I have done a lot of athletics and gymnastics. I've won a lot of competitions. I have the spirit of competition but especially the team spirit and the sense of effort.

On weekends and holidays, I go back to my parents. We do sports activities like biking, hiking... We also like to go to museums, theatres, movies... But some weekends we like to stay home and play board games, watch series or movies. I also like to go shopping with my mother or cook with her. Sometimes I stay alone in my room listening to music.

I am a curious person who easily adapts to a new environment. I am sociable, I can easily make friends. I am also very comfortable with children....
