All about Evelyn:

Dear host family, I'm really grateful that you are giving me the opportunity to spend a year in the United States and be part of your family! My name is Evelyn, I am 15 years old. I live in a nice house with my mother. My grandparents are living in the apartment above us. My parents got a divorce when I was two years old but I see my father almost every weekend. My family is really important for me. I am an only child, but I have my cousin that is just like a brother for me. We have a lot of great memories together and I spend a lot of time with him. I did figure skating from the age of 6 to 14. I did lots of competition and won a lot of awards. Currently I'm dancing modern dance.

There comes my love for art. I enjoy drawing very much and I have attended painting courses. I enjoy going to art museums, because they're very inspirational and you can learn so much from them. I'm interested in baking, reading, traveling and music. I listen to a lot of genres, but my favorite ones are kpop (Korean pop music) and pop music.

At the age of 7 I started going to an English club. I still remember that I went to my mom after the first lesson and told her that English is the best language ever and I've been going there for 7 years now. I can speak German, English, Russian (school and family), French (school). I hope that after the time in your family the US will be a second home to me. I'm really looking forward to get to know you, your culture and the United States.

Thank you again that you are giving me this life-changing opportunity!
Evelyn
