All about Jan:

Hello, my name is Jan, I'm 14 years old/ I have a lot of friends, I play soccer, and I like my high school. I love to know different cultures. I want to try their lifestyle, their high schools, their gastronomy, their sports. I like challenges and this one is just perfect. The three activities that I spend more time on are: playing soccer, meeting my friends and playing PlayStation.

My favorite hobby is soccer. I love watching it on tv, talking about it and playing it. I play in a soccer team in a village near mine. I would really like to play soccer in the USA, and I would also love to go to an MLS match.

I would like to make friends there and meet many people. I'm a very sociable person and I don't think it would be a problem to make friends there. The three things I like the most in Spain are the weather, the warmth of its people, and the gastronomy. I must say that I don't eat meat because I don't like how animals are treated on farms, but that shouldn't be a problem if you want to host me because I'm used to cook my own food. I love listening to music.

We were in New York for three weeks in 2018 and I fell in love with your country. I want to take this opportunity to gain knowledge and to develop myself because it will not be a little
