## All about Carmen:

Hi, I'm Carmen, I'm 14 years old and I'm from a small city that has lots of mountains, I like to go for a walk and climb on the mountains with my parents, my brother and my dogs. The beach is half an hour from my city. Sometimes, in summer, my family and I spend a sunny day there.

I love animals, especially dogs, I have three dogs: Simba, Yogui and Loki. I like to stay with my family, I have lunch with my grandparents three times a week I like to stay with them, specially with my grandma, because we have some things in common, like cooking! I specially like to cook desserts.

My favourite holidays are Xmas, because I like to spend time with my family and friends and to eat typical Xmas desserts, like nougat, polvorón and chocolate bonbons. I like to do countryside activities, like walking on the mountain, bike riding, trekking. On winter, I usually ski with my cousins, my dad and my brother. I enjoy it a lot!

My favourite sport is soccer, I play in a female soccer club, my position in the field is midfielder. On my free time, I usually play soccer, read books, watch tv series or movies, but what I like to do the most in my free time is paint, draw and photography.

I want to do an exchange year, because I would like to be like an adopted daughter for one year to the family, to know about the American culture, a daily day in an American family, I look forward to finding a good family and be able to know each other and spend a very good academic year there.
