I'm an open minded, curious and a friendly Person. I live with my Mum, and I see my dad very often. because he lives near to us. I'm a only child, so I have no siblings. Also, I have 2 Cats at home. My mom works at a Administrative assistant and my Dad works as a IT-Engineer. I go to the 9th grade at my school, my favorite subjects are Economy & Politics, Sport, and Chemistry. In my free time i meeting often with friends, riding a bike and sometimes go to the cinema, I'm also very interesting of Real Estate and the American Mansion Style.

I'd like to try out new stuff like American football or basketball. I'd like to improve my English and speak more fluently. I'm very intresting to travel around, one time I was even by the Pyramids in Cairo. At home I must helping my mom very often, because she works very long, so I must cleaning the dishwashers or just cleaning up our apartment. I want to do an exchange Year in the USA, because I'm fascinating of this big country, the American style and the different regions. I am most looking forward to the new interesting experience of how the life is in the USA, the new culture and meeting new friends.
