## All about Mattes:

Dear (future) host family,

I am Mattes and I am 15 years old. I am originally from Cote d'Ivoire. I am in the 9th grade. My favorite subjects are biology, geography, and history. My favorite hobby is swimming and through the swimming I meet my best friends every day. I am swimming 6 times per week and before nearly every training I am doing a one hour work out with my group. In total I am 10 to 15 hours per week in the swimming pool. On weekends, I often have competitions. They are nearly all-over north Germany.

I also play sometimes soccer with my friends at the weekend or at school. When I have got time in the holiday or at the weekend I go to my uncle because he has his own farm and sometimes. I go there to help him. I want to do the exchange year because I like the country USA and the culture. I also want to improve my English skills. I would like to make some new friends and go to an American high school. I am hoping my host family will introduce me to new traditions and experiences that will enrich me for years to come. I am looking forward to spending time in a whole different world and learning from that.

Yours truly,

Mattes
