Reading, music, movies, photography

All about Martina:

Martina is shy but also be an extrovert. She is very close to her family, especially her sister. She's likes athletics and has tried some sports but none that she felt were for her.

She loves to read novels in English and has a small collection at home. Martina also loves traveling and photography. She takes pictures wherever she goes.

Martina's goal is to learn another culture from a different country and would love the opportunity to study abroad.

Share your heart and home with Martina and apply to host today!
