All about Finja:

Finja can be shy at first but is friendly and open-minded. She is also an adaptable and independent person who loves to help people and her friends.

She really loves animals a lot and has 2 cats at home. Finja also has been riding horses since she was 5 and loves to ride on the beaches in Denmark.

Her other passion is gymnastics and has competed twice with her school. She also plays the keyboard and loves music while hanging out with her friends.

Finja is looking forward to trying some new things like dance, cheer leading or theatre during her year and can't wait to introduce her culture and traditions.
