All about Alfredo:

Alfredo's passion is swimming and has practiced this sport since he was 11. He also loves to experiment with recipes and loves gardening. While on program he would like to try American football, surfing, arts/crafts, and visit museums.

He loves to talk and be involved with family activities. At school, Alfredo received the "Personal Sensitivity and Spontaneity" award twice and the "Smile" award once. He is in his fourth of STEAM at his high school and hopes to be a surgeon or in economics in the future.

Alfredo can't wait to be a part of your family!
