Home Life:

Aglae lives with her mother, father, and older sister and brother. She has another older sister that does not live at home.

Interests:

Dance (since she was 11), Playing Cards, Camping, Board Games, Ice Skating

All about Aglae:

Aglae considers herself a sunny and funny person who adapts easily. She is also very curious and loves to learn new things, but she will also set challenges for herself to step out of her comfort zone.

She is nostalgic and keeps mementos in her box. She also likes to print photos and put them in her photo album.

Aglae wants to know more about American Football and hopes to try cheerleading!
